

# GLOBAL MEMBERSHIP

Join the only dental membership organization specifically focused on dental infection prevention and safety education.

[www.MyADS.org](http://www.MyADS.org)

## WHO WE ARE

ADS is the only dental membership association for oral health care professionals that focuses exclusively on dental infection prevention and patient and provider safety.

We help operationalize dental infection control and safety laws, regulations, guidelines, standards, and best practices to ensure every dental visit is a safe visit.

## OUR RESOURCES

ADS offers a variety of evidence-based dental infection prevention and safety resources to help solve infection control challenges and enhance patient and provider safety. Some of our most popular resources are:

- [If Saliva Were Red](#): A 5-minute free digital video that shows various dental procedures and what it would look like if the patient's saliva were red, highlighting the true impact of spatter and emphasizing the importance of infection prevention and control!
- [Toolkits & Topics](#): A growing list of resources to give busy practitioners key dental infection prevention and safety information.
- [Dental Infection Control Awareness Month \(DICAM\)](#): ADS's yearly campaign that takes place every September.

## KEY MEMBER BENEFITS

### 1. Infection Control in Practice (ICIP)

Looking for a new team huddle activity for staff meetings? ADS has just what you're looking for! ICIP is our bimonthly, interactive digital publication that features real-life scenarios with checklists on how to prevent negative dental infection prevention and safety outcomes. ICIP is easy to follow and takes the entire team through practical applications of infection control while reinforcing learning with summaries and key takeaways. Members can earn 1 free CE credit per ICIP.

### 2. Ask ADS

Have an infection control question? Ask ADS! Submit your dental infection prevention and safety questions to our cutting-edge, AI-powered assistant, and it will do the homework for you. Ask ADS delivers instant expert answers in your native language to help you stay on top of the latest best practices. Learn more [here](#)!

### 3. The Safest Dental Visit Toolkit™

Our members-only toolkit contains carefully assembled materials to help you develop an understanding of CDC guidelines, interim guidance, and OSHA requirements; maximize the role of the infection prevention coordinator (IPC); foster a culture of safety; and more!

## GLOBAL MEMBERSHIP OPTIONS

- **Premium - Global**: \$50.00 per year
