

U.S. Antibiotic Awareness Week 2025 Webinar Series

The goal of this educational activity is to educate providers on how to promote the practice of antimicrobial stewardship in various healthcare settings

Scan to register!

Learning Objectives:

- Identify 2 ways an antimicrobial stewardship team can utilize their roles to promote appropriate antimicrobial use in various settings
- Identify effective auditing interventions that can reflect how to optimize antibiotic prescribing practices in the long-term care setting
- Identify mitigation methods for the overuse of antimicrobials in 3 common areas
- Recognize age-appropriate communication techniques to communicate effectively with parents or caregivers

Tues
Nov 18
2-3 PM CT
3-4 PM ET
